VISAGLAZE CONSERVATORIES

Conservatories, orangeries & garden rooms

A seamless extension of the house that brings the garden inside — designed around the way you'll use it, by Visaglaze.

Conservatories and orangeries

Classic Victorian and Edwardian conservatories in painted or stained timber, and orangeries with a glazed lantern roof – warm all year and full of light.

Victorian

Faceted fronts with decorative ridges and finials.

Edwardian

Square-fronted for the most usable floor space.

Orangeries

Solid pillars and a glazed lantern roof for a room-like feel.

Oak-framed garden rooms

Oak-framed glazed rooms and corner extensions with sliding or bifold doors that open the room up to the garden.

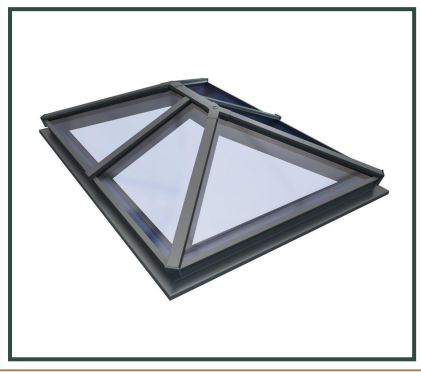

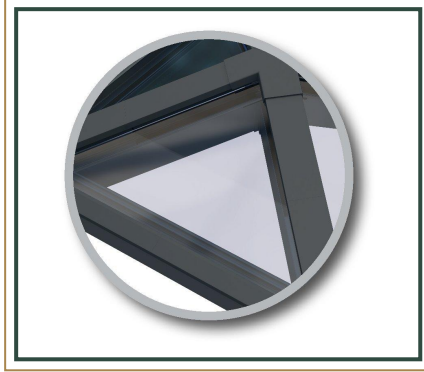

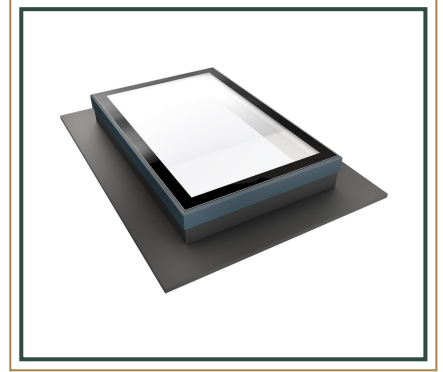

Inside

Roofs and glazing

The roof makes the room. Modern solar-control and self-cleaning glass, slim aluminium lanterns and rooflights keep a conservatory comfortable through summer and winter.
